- Other (please explain):

16. Below are ideas that came from focus group discussions with the American Indian community during the Housing Element outreach process. What are the top 3 priorities you would like the City to prioritize in the next year?

- Housing Choice:** Expand housing choices by building affordable housing in neighborhoods that have excluded low-income residents
- Housing Counseling/Workshops:** Provide affordable rental/homeownership counseling and workshops for American Indian community members by partnering with Native-serving organizations
- Deeper Affordability:** Produce housing units with deeper affordability to address the actual needs of the American Indian community.
- Diverse Housing:** Build housing for multi-generational households and families with children, seniors, people with disabilities, and people in recovery and elders
- Affordable Housing Developers:** Partner and support non-profit housing developers managed by the American Indian community
- Lottery Program:** Simplify and improve the application and lottery system process
- Relocation Assistance:** Increase relocation assistance for tenants experiencing temporary or permanent evictions
- Indian Relocation Act:** Realize housing promised through Indian Relocation Act
- Special status:** Provide special status and prioritize American Indian residents for housing opportunities to redress the historic dispossession of resources
- Homeownership:** Increase investment in down payment assistance loan programs for American Indian community

17. What other ways can San Francisco better serve the housing needs of the American Indian community? (open-ended)
